Jacque,

I have some appointments scheduled for the next couple of hours.

Is the reporter requesting to speak to someone from EPA before 3 pm today?

Thanks.

Adrian

**Subject:** Availability this afternoon?

Adrian:

Our city manager, Tom Harmening, is speaking with a StarTribune reporter, Mara Klecker, this afternoon about the Highway 100 and County Road 3 Groundwater Plume. If she has more detailed questions about the EPA's process from proposal to the NPL, to the 60-day comment period, to being added to the NPL and beyond – will you be available this afternoon to talk with her about that? She is writing the story for tomorrow so has a 3 p.m. deadline; we're meeting with her at 2:15 p.m. Thank you.
